### BROADVIEW.

BROADVIEW, July 18.—Just six weeks ago we reported the sad death of Miss Jessie Horne, and now it is with sadness we report the death of her sister, Miss Jennie Horne, departed this life July 16, 1898, after an illness of five weeks of typhoid fever, age 21 years, 6 months and one day. The funeral services were conducted at Glenwood Sunday morning by Rev. M. E. Gabard, assisted by Rev. Mr. Peeples, of Hope, and the interment took place at Rose Hill Cemetery, Columbia. The pall bearers were the same as for her sister. They were Messrs. Otis Truesdale, Billy Maxville, Phineas Murphy, Nathaniel Rea, Jeff and Floyd Gilbreath. The deceased united with the church at the early age of nine years, under the preaching of Rev. Mr. Patterson, and lived a true and consistent christian to life's end.

By her death the church has lost a useful member, father and mother a loving and obedient daughter, and sisters, a sweet and kind companion. To them all, the deepest sympathy of her many friends is extended.

Again death has entered our neighborhood, and claimed for its own, Mrs. Sarah Ann McKee. While our community has sustained a deep loss in her death, hers was a life of full rounded womanhood, adorned with Christian grace, and we feel sure she is now in a fairer, better land, where her good works are broadcast, and her voice to day is mingled in glad anthems with the best of God. She leaves six children, several brothers, sisters and many friends to mourn her loss. We say to the bereaved ones, "weep not, for your loved one is at rest."

### An Old Idea.

Every day strengthens the belief of eminent physicians that impure blood is the cause of the majority of our diseases. Twenty-five years ago this theory was used as a basis for the formula of Browns' Iron Bitters. The many remarkable cures effected by this famous old household remedy are sufficient to prove that the theory is correct. Browns' Iron Bitters is sold by all dealers.

### WATER VALLEY.

WATER VALLEY, July 17.—At his home near Water Valley, on Tuesday, July 12, at 10 p. m., the immortal spirit of Louis Jackson Hutcherson, forsook his earthly tabernacle. He was just in the prime of young manhood; in a few weeks he would have been 21 years of age; he was called away from this earth to heaven, there to meet loved ones gone on before. He was cut down by that dreaded disease, typhoid fever.

From the first of his sickness he told his friends he never expected to get well, but his loved ones never gave up all hope until the morning of July 12. He then told them he wanted to see his pastor, Bro. Owings, who was telephoned for and came immediately.

To him Louis talked for sometime, telling him that he was trusting in Jesus, and felt that he was ready to live or to die, just as God willed. He was a member of the Methodist church at Goshen, where he was laid to rest in the old cemetery, and his grave covered with beautiful flowers placed there by loving hands.

Bro. Owings preached his funeral sermon. May God counsel, guide and console the heart-broken mother, sisters and brothers, through this dark vale of tears, with a sweet anticipation of a happy meeting beyond.

## Scrofula to Consumption.

Any one predisposed to Scrofula can never be healthy and vigorous. This taint in the blood naturally drifts into Consumption. Being such a deep-seated blood disease, Swift's Specific is the only known cure for Scrofula, because it is the only remedy which can reach the disease.

Scrofula appeared on the head of my little grandchild when only 18 months old. Shortly thereafter it spread rapidly all over her body. The sores on the sores would peel off on the slightest touch, and the odor that would arise made the atmosphere of the room sickening and unbearable. The disease next attacked the eyes, and we feared she would lose her sight. Eminent physicians from the surrounding country were consulted, but could do nothing to relieve the little innocent, and gave it up as hopeless and impossible to save the child's eyesight. It was then that we decided to try Swift's Specific. That medicine at once made a speedy and complete cure. She is now a young lady, and has never had a sign of the disease to return.

### Salina, Kan.

Scrofula is an obstinate blood disease, and is beyond the reach of the average blood medicine. Swift's Specific

S.S.S. For The Blood

is the only remedy equal to such deep-seated diseases; it goes down to the very foundation and forces out every taint. It is purely vegetable, and is the only blood remedy guaranteed to contain no mercury, potash or other mineral substance whatever.

Books mailed free by Swift Specific Company, Atlanta, Georgia.

### TWO TOASTS TO DEWEY.

(The first was written last November, for a dinner given to him by a few friends just before he left for the East. The second was written after his capture of Manila harbor. They are both by the same author, Mr. Archibald Hopkins, and are copied from the New York Tribune.)

### NOVEMBER 27, 1897.

Fill all your glasses full to-night; The wind is off the shore; And be it feast or be it fight, We pledge the Commodore.

Through days of storm, through days of calm, On board Pacific seas, At anchor off the Isles of Palm, Or with the Japanese;

Ashore, afloat, on deck, below, Or where the buldgers roar, To back a friend or breast a foe, We pledge the Commodore.

We know our honor'll be unstained Where'er his pennant flies, Our rights respected and maintained, Whatever Power defies.

And when he takes the homeward tack Beneath an Admiral's flag, We'll hail the day that brings him back, And have another jag.

### MAY 3, 1898.

We drank to him no empty toast, Nor was our boasting vain; For on the far Philippine coast He "singed the beard of Spain."

And up from all our hills and vales, From city, town and shore, A mighty shout the welkin hails—"Well done, brave Commodore!"

Now let your admiral's pennant fly— You've won it like a man— Where heroes love to do or die, Right in the battle's van.

And on our history's matchless scroll, Writ large along its lines, With those who've played a deathless role, The name of Dewey shines.

### A NARROW ESCAPE.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my abiding place. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at Woldridge & Irvine's druggists. Regular size 50c and \$1.00. Guaranteed or price refunded.
